

FREE PROJECT #2

1" SCALE FUZZY LADIES SLIPPERS

YOU WILL NEED THE FOLLOWING:

Air Drying Clay such as paper clay
Fuzzy Type yarn in color of your choice
Tacky glue
Scissors

1. Make two small equal sized balls with the air drying clay. Shape one like a right shoe and the other like a left shoe. Let dry.
2. After they have dried apply tacky glue to the pieces and wrap the fuzzy yarn around them.
3. Let dry. Trim yarn slightly if needed.
4. VOILA! You now have fuzzy slippers for your lady to wear on these cold winter nights.
